

# Zeng chair

## Stackable

Ultra Compact Metal Frame  
Armless Chair

## Handle

Built in Handle makes moving the chair easier and can be easily stored away in stacks of 25

## Anti-Microbial

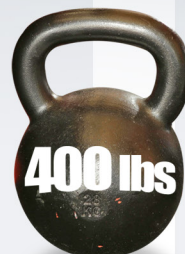

Chairs are treated with an anti-microbial agent and color permeated so scuffs are less noticable and wipes clean easily

## Reinforced

Reinforced black metal frame supports up to 400lbs

Weight  
Capacity

## Color Options Available, Black, Blue and Grey

Packs Available

### Durable

Color permeated so scuffs are less noticeable. A reinforced black metal frame is designed to support up to 400lbs and a built in handle makes moving the chair easier.

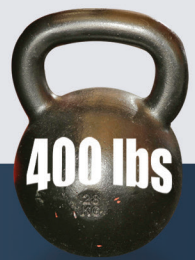

### Storability

The Zeng can be easily stored away in stacks of 25 and can be used with Regency's Zeng Stack Chair Cart for easy transportation. The Zeng ships assembled and is ready to use immediately.
